Dr A. Atalay  
Interim President: African Seismological Commission

Dear Dr A. Atalay

Re: African Seismological Commission

The Organisation of African Geological Surveys (OAGS) Secretariat received your request for the affiliation of the OAGS to the African Seismological Commission on the 23 January 2014.

This letter serves as an acknowledgement and acceptance of the affiliation between the African Seismological Commission and the Organisation of African Geological Surveys.

We look forward to working with the your organization

Best regards

Dr Gabi Schneider

President OAGS
